Christ Died For Our Sins

(I Corinthians 15; John 20)

For I delivered unto you the first of all that which I also received, how that Christ died for our sins according to the scriptures;

And that he was buried, and that he rose again the third day according to the scriptures:

Now if Christ is preached that He hath been raised from the dead, how say some among you that there is no resurrection of the dead?

But if there is no resurrection of the dead, neither hath Christ been raised, then is our preaching vain, your faith also is vain; ye are yet in your sins.

Then they also that are fallen asleep in Christ have perished.

If we have only hoped in Christ in this life, we are of all men most pitiable.

But now hath Christ been raised from the dead, the firstfruits of them that are asleep . . . For as in Adam all die, so also in Christ shall all be made alive.

These are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through His name.

Bouvier Gives Comprehensive Plan For Improvement Of Ice Facilities

LAC LA BICHE — At the recent Curling Club meeting S. Odynak was elected president. Other officers named were:

First vice-president, N. Chodan; 2nd vice-president, H. Senetza; secretary, P. Ponich; treasurer, L. Shewchuk; prizes and bonspiel, Paul Bouvier; social and entertainment, J. Hackman; membership, T. Mackriss; building and finance, M. Tarrabain and Dr Bouvier; draw, F. McMillan; ice, Konawalchuk; public relations, J. Olstad.

Highlight of the meeting was the report of the finance and building committee presented by Dr. D. Bouvier in which he outlined a comprehensive plan for improvement of curling facilities. The complete report follows:

'Whereas, after careful study, your committee finds:

1. That the town of Lac la Biche has need for a larger curling rink.

2. That a three-sheet curling rink would serve this need for eight to 10 years to come.

3. That the financing of a new rink proved impossible.

4. That the cost of (a) enlarging our present rink to house three sheets of ice, (b) enlarging our waiting room to the width of the new rink, (c) install washroom facilities with plumbing, (d) install gas heating, (e) kitchen facilities and lunch counter, (f) finish off our present waiting room to provide lounge facilities, would be in the neighborhood of $7,000.

5. That we now have $1,500 in our building fund.

6. That we can be assured of realizing a yearly profit of $1,500 with a three-sheet rink, with no increase in membership fees.

7. That the town of Lac la Biche council has indicated its willingness to appropriate $2,000 of its recreational grant for the installation of washrooms at the curling rink, acing the summer months on sports days, track meets and children's playgrounds.

And whereas your committee feels that it is the duty of this club to provide a curling rink and curling facilities that will be a credit to the town of Lac la Biche and attractive to all future curlers,

Therefore be it resolved:

1. That the curling club proceed with the proposed rink extension and improvements,

2. That the club finance the project by (a) using its building fund reserve of $1,500; (b) accept the grant of $2,000 from the provincial recreation grant made to the town; (c) apply for a loan of $3,500 from one of the town banks for a period of four years, to be repaid $500 the first year, then $1,000 per year for the next three years and that security be offered in the form of 12 backers, each backing a maximum of $300 of the loan.

Moved by Dr. D. Bouvier and seconded by M. A. Tarrabain that the above resolution be adopted.

The report received unanimous adoption.

President J. Olstad gratefully acknowledged all donors and with the showing of the Dominion Brier film the evening was brought to a successful conclusion.

Lac La Biche WI Plans Campaign

The regular monthly meeting of the WI was held at the home of Mrs. Marshall Hamar. Seventeen members and 11 guests were present.

Plans were made for the annual cancer campaign to be held May 5 and 6. Mrs. E. Cunningham will convene the campaign. Members voted to donate $10 to the Red Cross, and $10 toward expenses of the boys' choir when it goes to Edmonton to appear on TV.

Following the business session bingo was enjoyed by the ladies. Winners for the evening included Mrs. E. Cunningham, Mrs. F. McMillan, Mrs. W. Tardif, Mrs. J. Bouvier, Mrs. L. Kolstad, Mrs. C. Lebas, Mrs. T. McCullough, Billy Hamar, Mrs. J. Booker, Mrs. E. Woynarowich, Mrs. H. Senetza and Mrs. J. Hayduk.

A lunch was served by the hostess, assisted by co-hostess Mrs. J. Zaluzny. Mrs. H. Marchildon and Mrs. L. Vincent will be hostesses for the April meeting.

Reading Demonstration By Grade 2 Pleases Parents

LAC LA BICHE — A most interesting and enlightening reading demonstration for grade 2 pupils was the highlight of the recent Home & School Association meeting. Over 50 parents and teachers were present for the demonstration by Mrs. L. Lemoy and ten grade 2 students.

Mrs. Lemay explained the method of reading by a combination of phonics and sight reading. Then the children were given an unfamiliar reader; the parents were also given a reader to enable them to follow the tect. Many parents expressed amazement that the children read the stories so easily and well, dispelling any doubts about the methods of teaching reading in the schools today. Later Mrs. Lemay capably answered questions by the parents pertaining to the method used.

Other business discussed by the group included plans for the swimming program for the summer. A report on developments thus far to secure a swimming instructor was given by Mrs. F. McMillan, secretary. Richard. Hayduk, Grade 11 student of the Dr. Swift High School, is being sponsored by the Home and School to attend the swimming and water safety course offered by the Red Cross at the "Y" during the Easter holidays.

H. Senetza was chairman for the evening in the absence of the president, J. Booker.

Paul Bouvier Rink Wins UGG Trophies At Farmers' 'Spiel

The second annual Farmer's Bonspiel was held at Lac la Biche recently. Twenty-two rinks participated in the event sponsored by the Lac la Biche Chamber of Commerce.

The scoring was on a point system and the following placed in the first five events: Paul Bouvier, first; J. Olstad, second; M. Steffin, third; J. Hackman, fourth, and M. Stefanyk, fifth.

Paul Bouvier's rink consisted of Roger Durocher as third, Etienne Richard as second and Louis Tardiff as lead. Each one is a proud winner of a trophy donated by the UGG Co. Attractive saucepans were an added gift.

Through the generous donations of the Lac la Biche business firms everyone received a gift and was able to partake in the banquet that was held at the Legion Club. The skips' wives were catering.

The committee wishes to express the appreciation of the following who so generously contributed trophies, merchandise and cash, to make this a memorable event:

Trophies were donated by the UGG Co., Lac la Biche Creamery, H. Lobay Hardware, Lac la Biche Mercantile and the K. & W. Transport.

Merchandise was donated by Lac la Biche Sales & Service, Triway Service, B-A Oil Co., Hamar's Ltd., Macleod's, Hudson's Bay Co., Dave & Richard Tires, Hayward Lumber Co., O.K. Motors, Lac la Biche Bakery, and Cootney's Billiards.

Cash donations were received from Lac la Biche Hotel, Stewart Drugs, Lac la Biche Garage, York Hotel, Lac la Biche Clinic, Charles Lebas, Imperial Oil Agent, George Homeniuk, H. McCormack, Pruss' Pool Hall, Robinson Store, E. J. Woynarowich, Albert Abougoush, York Hotel Cafe, Royal Cafe, Tkachuk Store, Victory Garage and Lac la Biche Cleaners.

Dr. Swift High School Students Attend Session Of Parliament

LAC LA BICHE — March 23 was a red letter day in the lives of 39 Grade 9 students from Dr. Swift High School. Accompanied by their teachers, Sister Mary and Mrs. S. Odynak, they travelled in a bus driven by Mr. Durocher to Edmonton for a day of sight seeing. The group left the school at 9:00 a.m. and on arrival at the legislative building at 1:15 were met by M. Maccagno, MLA for Lac la Biche.

A tour of the building with Mr. Maccagno and the usual guides followed. The students were greatly thrilled as they reached the dome in the tower. At 2:30 they settled themselves in the public gallery to watch the opening of the afternoon session with its usual ceremony. Since five or six schools were present for this afternoon session, on a point of privilege, the different members introduced the school groups from their constituencies. In introducing the teachers and their students, Mr. Maccagno stated that in his six years in the legislature it was the first time a group of school children from his constituency had ever attended a session. His remark that the students had come 150 miles to see what Mr. Hooke looked like, drew loud applause from the house.

Following the hour spent in the legislative buildings, the students toured the Jubilee Auditorium. At 4:30 the group were guests of Mr. Maccagno for a Chinese meal in the banquet room of the Seven Seas Restaurant, where many tasted Chinese food for the first time. Later, a stop was made at a Hamburger Drive-In, where the students enjoyed more familiar food before the long ride home.

It was a never-to-be-forgotten trip, and greatly enjoyed by students and teachers alike who were grateful for the opportunity to see, at first hand, parliament in session. They wish to thank Mr. Maccagno for his kindness and hospitality, and the parents for their co-operation in making it possible for the children to have such a worthwhile outing. The students themselves were well behaved and co-operated well with their teachers and escorts, making the day a memorable one to all concerned.

REPEAT TESTIMONY from four students who survived the Lamont school bus-train tragedy that claimed the lives of 17 young people was heard in Edmonton at the Board of Public Transport Commissioners. A Grade 11 student, Audry Safranovich said the bus stopped. She remembered being thrown forward in her seat. Donald Dziaba, Robert Tompkins, Peter Lipkewich and John Winnick all testified they did not know if the bus stopped. Dziaba said he vaguely remembered that he heard the train whistle. Bus driver Frank Budney says he remembers nothing about the crash. Pictured above at the inquest earlier are: Winnick, Dziaba and Tompkins, Joanne Starko, Miss Safranovich and Ronnie Achtemichuk. Funeral Service For Fred Kadiuk

HYLO — Fred Kadiuk, a well-known resident of this district since 1935, and who moved to Edmonton late last fall, passed away unexpectedly Tuesday, March 21, at his home.

Mr. Kadiuk was born in Bukovina, Ukraine, in 1895. His mother died when he was only six weeks old and he was left an orphan at four years when he lost his father. He was raised by his uncle until he was 17 years of age when he came to Canada in 1912. He worked in various points of Canada for two years, then came to Alberta in 1914, married Miss Katie Korol in 1919 and settled in the district of Bellis.

In 1935 they decided to move with their family to this district. They herded their cattle and sheep through the thick forest and homesteaded south of Hylo.

Although ill for many years, Mr. Kadiuk remained interested and active in the community. He was a hard worker, good neighbor, trusted friend and respected citizen.

Left to mourn his passing are his wife, two daughters, Mary and Alice; six sons, Bill, John, Mike, Metro, George and Leo, and two grandchildren.

Funeral services were held in Edmonton.

The rat is able to live longer without water than any other mammal.

Honorary Degrees

EDMONTON — Honorary Doctor of Laws degrees from the University of Alberta are to be presented to Ian Nicholson McKinnon, chairman of the National Energy Board, and Chief Justice Colin Campbell McLaurin, University President Walter H. John announced.

The degrees will be presented at the fall convocation in Calgary Nov. 18.

Lubrication Method Must Change, Too . . .

The "horseless carriage" could hardly meet the challenge of the modern automobile in durability, speed, safety and beauty.

Yet, in its day, it was the last word. Imperial methods of manufacture and scientific advances have brought with them improved cars. Hand in hand with this progress has come improved methods and equipment for lubrication. "In their day" these out-worn methods were alright but today they're out of step with the times. For modern lubrication we advise you to stop here.

Arthur Dube Again Heads Red Cross

PLAMONDON — Arthur Dube again accepted the president's office at the annual meeting of the Plamondon Red Cross held in the club room of the Pelican Hotel. Other officers elected were: Dewey Plamondon, vice-president; Mrs. Evangelist Cote, secretary - treasurer; Mrs. Dewey Plamondon, women's work committee; Mrs. Claude Gauthier, disaster committee; Mrs. E. T. Piquette, campaign manager.

Arthur Dube opened the meeting. Philip Plamondon read the secretary's report and a financial statement of last year's campaign. Mrs. R. E. Piquette gave the report of the disaster committee.

Mrs. Dewey Plamondon sent in a written report as she could not be at the meeting. Her report gave details of having attended the Red Cross work shop held in Calgary and reported an interesting day.

This year's campaign was then discussed and it was decided that due to so many activities during Easter week and Holy week, the campaign would be held back until after Easter.

Shower Honors Easter Bride

PLAMONDON — A shower was held recently at the home of Mrs. Ray Dakin and organized by Gail to honor Carol Cadieux who will be married Easter Monday to Romeo Plamondon.

Fifty - seven persons attended. Games were played throughout the evening and many prizes were won by the local ladies.

Around 11 p.m. the "mock wedding" was held, then the bride-to-be opened her beautiful gifts. A lunch was then served by Mrs. Dakin and her friends.

California is known as the Golden state.

Avenir

Sympathy of the district is extended to Mrs. Baptiste Plamondon and her family in the loss of her husband recently.

Miss Albertine Plamondon is a patient in St. Catherine's Hospital.

Gerald St. Jean, son of Ted St. Jean, spent some time in hospital recently.

Valmare Plamondon has rejoined his family in Fort Smith.

Wilbert and Ernest Plamondon have returned to their work in Fort Smith.

Discovery in time averted a disaster when Tibert Plamondon's cattle which were running loose in the fields, broke into a granary full of grain.

This unscheduled meal made the cattle sick but luckily none died. It is reported they went down a lot in milk as a result of their misbehavior.

THE Homemakers

By BERTHA M. McCUTCHEON

It is a significant fact that most rural and small town housewives are buying the large (King) size package of detergent with no premium. One of our local storekeepers gave me this information.

A good rule to follow in buying detergent is to calculate the price per ounce. Most King size packages four pounds four ounces. The same size with a premium has three pounds three ounces or over a pound less detergent and costs an average of ten cents more. A King size package of Oxydol weighed four pounds ten ounces so it pays to check the weight.

B. McCutcheon

There are many gimmicks for promoting the sale of a certain product. On the market now is Medium (giant) size Tide with a map of Canada. The package contains two pounds five ounces of detergent and sells for about 91 cents. The larger size gives four pounds four ounces for $1.41 to $1.59 depending on whether there is 18 cents off. This works out to 2 or 2.3 cents per pound as compared to 2.5 cents per pound of the small size. Some other brands of detergent are slightly cheaper per ounce.

A good practice to follow is to measure your detergent. Use a measuring cup for washing, a spoon or bottle cap for dishwashing. Of course the larger cap and bottle top tempts you to use more of the product.

The Canadian Association of Consumers recommends that women write to the manufacturer stating that you will not purchase his product as long as premiums are included in the package.

EASTER EGGS

Hard-cook a number of eggs and dye and decorate using commercial egg dye which may be purchased in kits, or food coloring. Let eggs stand in diluted food coloring for ten minutes to dye. Decorate with painted designs or cut out diamonds or squares from plastic adhesive tape and stick on eggs in a symmetrical way, or just helter skelter before dying the eggs. The color will not "take" through the tape and it can be peeled off later to give a two-toned effect. Eggs may be dyed a pale color first, then the design put on with the adhesive tape and the eggs redipped in a darker color.

Hide the colored eggs around the house, provide each child with a basket or container for collecting the eggs. Use the eggs later in creamed eggs on toast, egg salad, or egg croquetts for supper.

Hotel To Go Up Near International Airport

Jake Superstein Heads N w Airport Hotel

A modern 40-room hotel is planned for the Edmonton International Airport. Construction of the $500,000 Airport Hotel is scheduled to start this month and be completed in time to open in October.

J. Superstein, president of the company formed to build and operate it, says it will be located on the Calgary Highway, north-west of the Nisku corner about a mile and a half from the administration building.

Mr. Superstein, who operates Edmonton Produce, said that is as close as a private operator can get.

ALL FACILITIES

All the facilities a person would expect to find in a modern, up to-date hotel will be provided. They will be housed in a long one-storey section fronting on the highway and faced with fieldstone. Forty rooms will be in a two-storey centre block, and the rooms with southern exposure will have balconies overlooking a plaza.

The plans, drawn up by architects Richards & Berretti call for a swimming pool and glassed-in dining room on the plaza.

"The dining room will be one of the features of interest to people living in the city," Mr. Superstein said.

AIRPORT GUESTS

"The overnight accommodation we expect to rent to aircrews and other airline personnel who make scheduled stops at the airport. Experience in other places indicates that Edmonton people with an early plane to catch will want to take advantage of a nearby hotel like ours. They can get ready the night before and have only a short ride to the plane in the morning."

"We also expect that business men visiting Edmonton will want to make their headquarters closer to the airport."

Plamondon

Deepest sympathy is extended from residents of the entire district to Mrs. Jean Baptist Plamondon and family in the loss of her husband and their father, who passed away in St. Catherine's Hospital last week.

Mr. and Mrs. Philip Cadieux recently spent a few days in Waterways and McMurray visiting their son Charles and relatives.

Mrs. Charles Cadieux arrived last week with her children and they will remain as guests of the Phil Cadieuxs until after Carol's wedding on Easter Monday. Charles is expected this week.

Mrs. Rosalie Nelson recently visited her brother and sister-in-law, Mr. and Mrs. Evangelist Cote.

Mike Stafanik recently made a business trip to Edmonton.

Andre Schaub has recently taken over the store and business at Gourin from Mr. and Mrs. Wolf, with the help of his parents, Mr. and Mrs. Alec Schaub who will make their home with Andre.

Mr. and Mrs. Clifford Gagnon were weekend visitors to this district.
